To login to your Distance Ed course:

1. Click on your section’s green **Go to Class Room** link on Courses Offered page:

2. This link will take you to the correct login screen for your section.

3. Click the **Log In** link.

4. Enter your User ID (name) and Password in the appropriate boxes. Your ID is your HCCS User ID, sometimes known as the "w" number. If you have forgotten your ID, go [here](#) to retrieve it.

5. When logging in for the first time, your default Password is "distance" (in lowercase). You will be immediately prompted to change this default Password to one unique for you. **Do not give out this password.** If you are not logging in for the first time, the learning management system still remembers your password from before. In this case, "distance" will not work.

6. If you have forgotten your password for Eagle Online, click on the yellow "Reset My Password" button seen on the login page:

    ![Reset My Password button](#)

A temporary password will be sent to the email address that you have specified in your HCC Student Center account. You can call 713-718-2000, option 4,2 for assistance.

**Please keep the following things in mind:**

- Remember, you will be able to access each class only after it officially starts.
- **If you register for a class on or after its start date, expect a delay of up to 24 hours before you can access it.**
- If none of your classes has yet started, your course list will be empty, or you may not be able to log in at all.
